Dear Exempt Certificate Holder,

Please find below your EXEMPT CERTIFICATE. This certificate entitles the certificate holder to make purchases on behalf of the organization. The purchased items are to be used for normal and customary operations of the exempt entity. The exempt certificate may **NOT** be used to purchase items, which would produce sales of liquor, or sales of food sold through regularly conducted restaurant type operations.

Improper use of items purchased utilizing the enclosed exempt certificate, may result in the following:

1. Immediate cancellation and demand for surrender of the Exempt Certificate.
2. Retroactive denial for the exemption and collection of sales tax formerly exempt.

If you should have any questions concerning the use of your exempt certificate, or any other sales tax issue, do not hesitate to contact the KPB Sales Tax Division at (907) 714-2175 or toll-free within the Borough at 1-800-478-4441.

Thank you,
Kenai Peninsula Borough
